

Mornington  
Peninsula

# Your invitation . . . visit us this weekend at the Mind, Body & Spirit Expo

With the Mornington Peninsula Spa Industry burgeoning, 11 day spa operators are coming together this weekend for the first time in a united presence to sell the peninsula as a spa tourism destination.

The Mornington Peninsula Spas stand at Melbourne's Mind, Body and Spirit festival is a collaborative effort with unique multi-spa journeys on offer.

The spas will be promoting packages of 3, 5 or 7 spa experiences  
- well worth a look!
